

Manage Narrative Questions

Last Modified on 09/23/2025 11:22 pm EDT

To edit your program's narrative questions (not for partners), go to the Program Info dropdown menu and select **"Narrative Questions"**.

Note: If you cannot complete this action, then you do not have permission to edit your program's narrative questions. Please speak with your supervisor.

A form for editing a narrative question. The form has a header 'Description' and several sections, each with a title and a text input field. The sections are: 'Context' (with a placeholder 'Context for this activity'), 'Objectives' (with a placeholder 'Objectives for this activity'), 'Summary' (with a placeholder 'Summary for this activity'), 'Expected Results' (with a placeholder 'Expected Results for this activity'), 'Beneficiary Description' (with a placeholder 'Beneficiary Description for this activity'), and 'Deliverables & Reporting' (with a placeholder 'Deliverables & Reporting for this activity'). An orange arrow points to the 'Objectives' input field.

Click in each cell to edit the narrative questions. These questions will be presented to all projects for all reporting periods.

- **Code:** This can be any reference you'd like. (Optional)
- **Title:** This is the question that will appear for each project for each reporting period. (Required)
- **Description:** You can use the description field for instructions on how to answer the narrative question. (Optional)
