

Change Your Password

Last Modified on 10/06/2025 1:15 pm EDT

From any DevResults page, click on your picture (or default initials) in the top right corner. From the dropdown menu that appears, select **Edit profile**.

The screenshot shows the DevResults dashboard for Francine Kotodzou. The top right corner features a user profile section with a dropdown menu. The 'Edit profile' option is highlighted with an orange box. Other options in the menu include 'Log out' and a language selector. The dashboard itself displays various data visualizations, including an 'Activity Map' of West Africa, a line chart for '1-c # individuals who have received agricultural productivity or fo...', and a bar chart for '3.1.2-b # HIV-positive people who received antiretrovirals to reduce risk of t...'. The bottom right corner has a '40 activities' badge.

On your profile page, click on the **Send password reset link by email** button.

Preferences

Password ☒ You have a password. [Send password reset link by email](#)

Email Notifications Notify me via email...

☒ whenever there is an update

☐ once per day

☐ once per week

☐ never

Additional Communications ☒ I would like to get advance notice of major new features

You will receive email notifications about new features before they are released.

☐ I would like to be a beta tester

Beta testers provide feedback on new features in the final stages of development. You will receive email notifications about new features before they are released, access to a trial environment, and instructions on how to test and provide feedback on the features.

Check your email and click on the link provided to reset your password. Be advised that passwords must be at least 8 characters long, and **commonly used or known leaked passwords** are not allowed.
