

ARCHIVED: Sample Setup Template

Last Modified on 01/04/2024 2:54 pm EST

Note: As of 2024, DevResults offers a new, more flexible system for creating a new DevResults site. Please see our revised [Setup Instructions](#) for information about the current setup process.

Click [here](#)  to download a sample setup template. Details about the setup template can be found on the [Setup Template Instructions](#) page.

Note: This sample uses geographic information for a program in Zimbabwe. All clients receive a setup template configured for their geographic scope.
