### Discussions

#### ast Modified on 07/08/2025 2:50 pm EDT

Each project in DevResults comes with a built-in discussion tab, as well as discussion tabs for each of its reporting periods. Users can add threaded comments, and collaborators on the project are notified about these comments.

## **Project Discussion Page**

From the project overview page, click on the **discussion** tab.

IM	Isabelle Mbagbouée says	These users will be notified of comments						
	We're ready for our first reporting period! Should the training logs be anonymized?		AD Aboubacar Diallo	AD André Dieudonné	AD	Aissata Diop		
			AF Aaron Fox	BG Bo Goldberg	PJ	Peter Johnson		
	Post		Leslie Sage	Alhassane Senghor	DW	Dafu Wen		
AD	Aboubacar Diallo said As we kick off this project, let's ensure we stay aligned with our objectives, adhere to donor requirements, and maintain clear communication with local stakeholders. Regular monitoring and adaptive management will be key to addressing challenges effectively and ensuring sustainable impact. Let me know if you have any questions about your work.	2 Mar 2025	AZ Aicha Zeinab					
	IN Isabelle Mbagbouée How frequently should we provide updates prior to our first quarterly report? 12 Mar 2025							
	DW Dafu Wen Let's start with weekly check-ins as we launch and we can adjust in June as needed. 12 Mar 2025							

# Project Reporting Period Discussion Page

From a project's reporting period page, click on the discussion tab. Alongside threaded comments, a record of all submission status changes are also included. Assigned users are notified about each comment or change in submission status.
